by the convention, whether in the matter of the platform or the nominees, was done, as we have a said, in accordance with the deliberate wishes of the representatives of the party, from every State and every section of the Union.

The spectacle presented by the convention, after the sectional bigotry and animosities of the past few years, was exceedingly refreshing. In it was the most perfect nationality alike of sentiment and organization. How great was the contrast fect nationality alike of sentiment and organization. How great was the contrast presented by it with the Radical Convention which mot at Chicago. In the latter body, it is true, there were, playing prominent parts, a few men claiming to be Southern delegates. But who were they? Carpet-baggers who never saw the South until they were sent there by Vankee Radical Convention that free each and A is a classical provided to the cast is until stuffer so show a process of it.
